

Sinaia – Romania 1st Intensive Program Survey Results

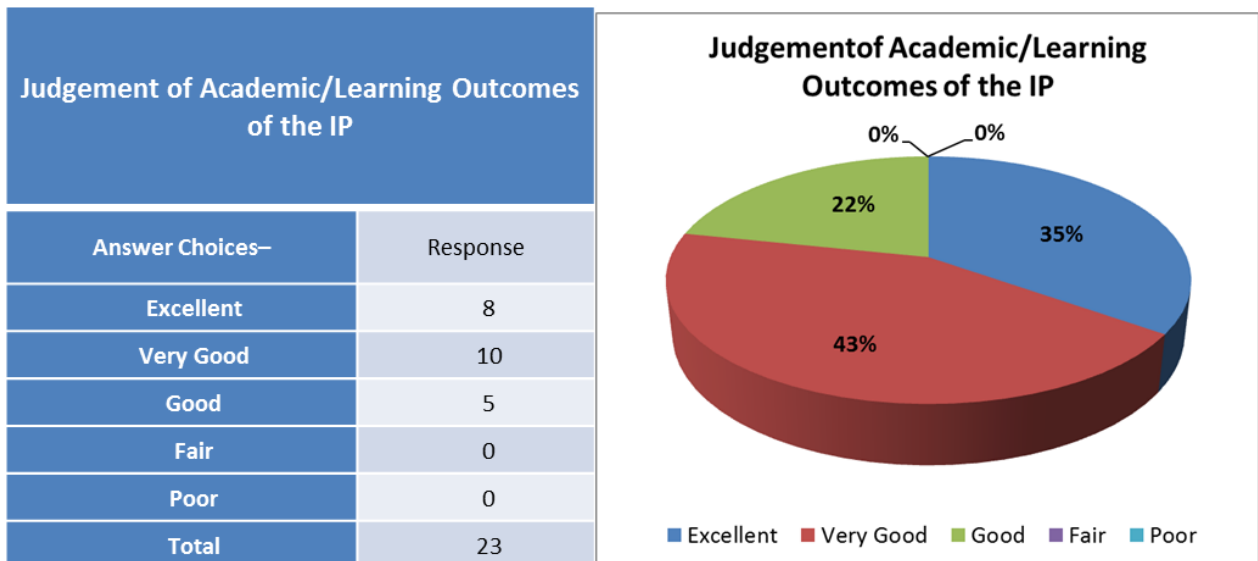

We made this survey a month after the realization of the Intensive Program. It was done using the SurveyMonkey software. All the participants are informed via e-mail that it exists a questionnaire and we gave to them a link to have access on this. The questionnaire was anonymous.

The questions and the results of this survey are given below:

1.

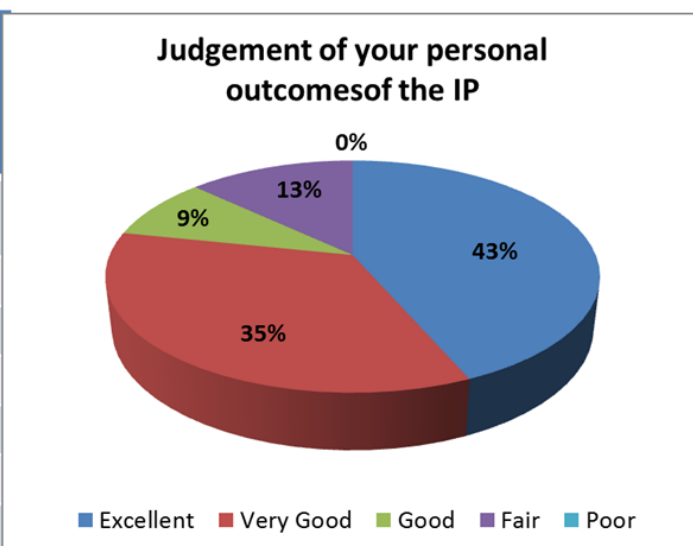

2.

The students are satisfied for the overall quality of the Intensive Program at a percentage of 100 % of the participants in the survey.

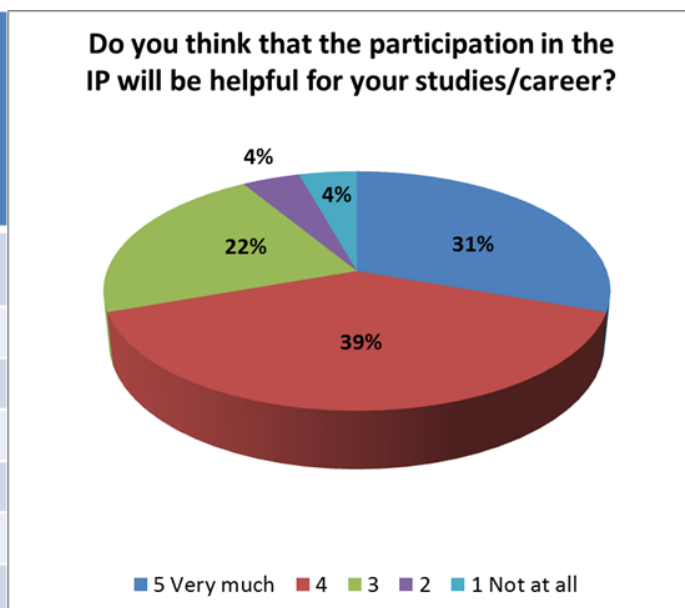

3.

Judgement of your personal outcomes of the IP	
Answer Choices–	Responses
Excellent	10
Very Good	8
Good	2
Fair	3
Poor	0
Total	23

4.

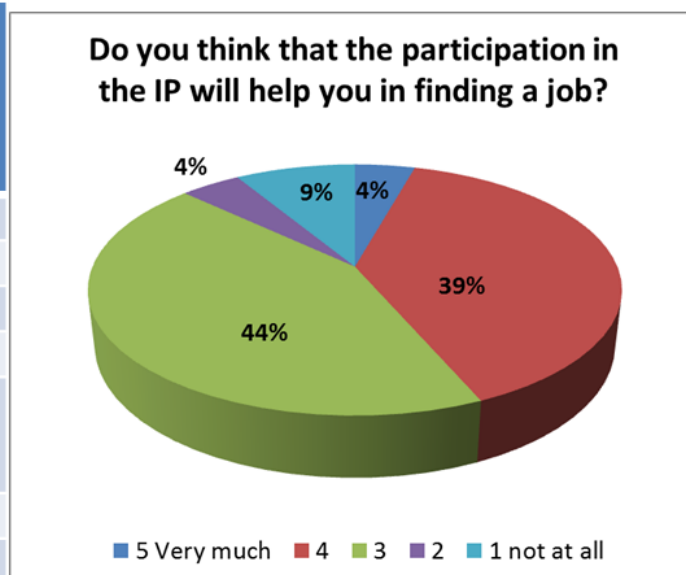

Do you think that the participation in the IP will be helpful for your studies/career?	
Answer Choices	Responses
5 Very much	7
4	9
3	5
2	1
1 Not at all	1
Total	23

It's very important that the students participating in the survey believe that the Intensive Course in Organic Electronics will be useful for their future studies and/or their career.

5.

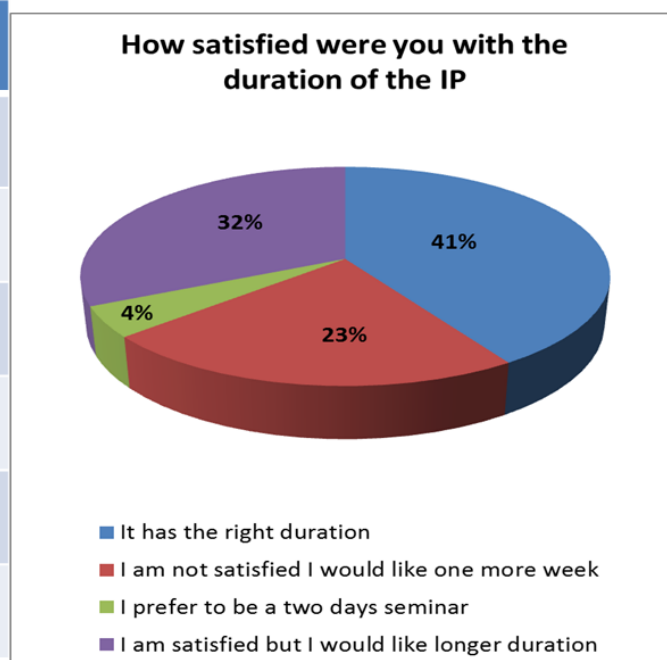

Do you think that the participation in the IP will help you in finding a job?	
Answer Choices	Responses
5 Very much	1
4	9
3	10
2	1
1 not at all	2
Total	23

As was expected the students are not sure that this Intensive Program may help them to find a job

6.

How satisfied were you with the duration of the IP	
Answer Choices–	Responses–
It has the right duration	9
I am not satisfied I would like one more week	5
I prefer to be a two days seminar	1
I am satisfied but I would like longer duration	7
Total	23

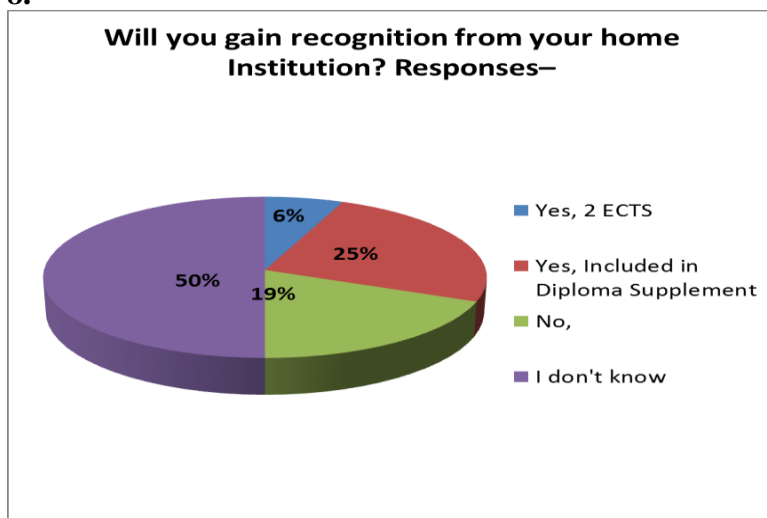

Having a long experience from the former Erasmus Intensive Programs it seems that the two weeks duration for an Intensive Program is the right one. Unfortunately as we design the project to have two Intensive Programs during the academic year, two weeks programs were not possible to take place, due to the other academic duties of the students

7.

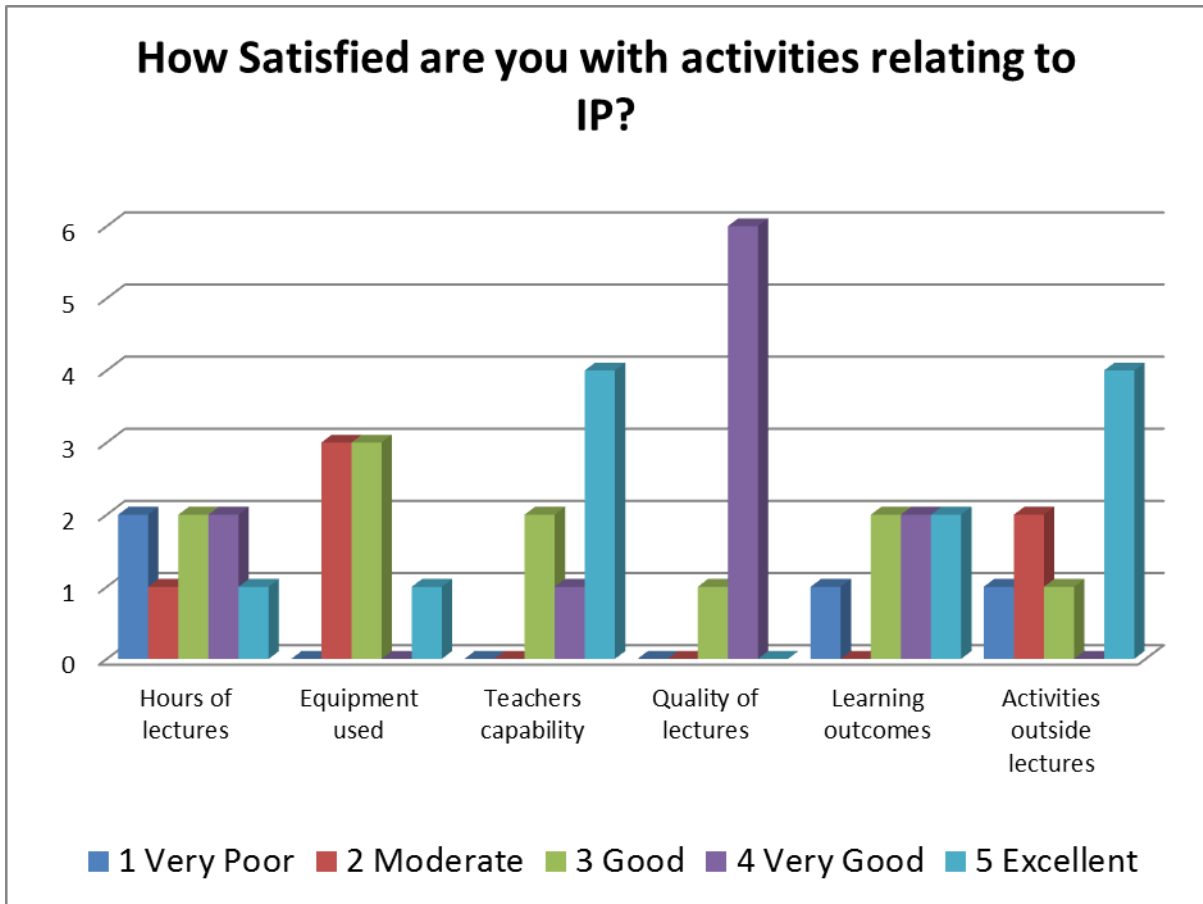

Which were the factors motivated you to participate?						
	5 Very Much–	4–	3–	2–	1 Not at all–	Total Respondents–
Academic	65.22%	30.43%	0.00%	4.35%	0.00%

Friends / Living abroad	31.82%	27.27%	13.64%	22.73%	4.55%	
	7	6	3	5	1	22
Career plan / Better CV	30.43%	43.48%	13.04%	4.35%	8.70%	
	7	10	3	1	2	23
European Experience	45.45%	36.36%	4.55%	9.09%	4.55%	
	10	8	1	2	1	22
Other (please specify)	28.57%	14.29%	28.57%	0.00%	28.57%	
	2	1	2	0	2	7

Academic reasons, practice of foreign language and European Experience are the main reasons that motivated the students to participate in this event.
